# Business Analyst - Consulting – Job description

We're looking for a talented Business Analyst with exceptional problem-solving skills to join our Consulting practice. In today's complex global economy, an organization's ability to manage an agile transformation is one of the keys to success. If you're an outside-the-box thinker who enjoys exploring the myriad ways in which our Consulting practice helps shape the future of our clients' organizations, then you may be the right fit for the role.

## Work you'll do

Business Analysts work as members of integrated teams across the US and Indian geographies in a fast-paced, fast-paced and dynamic environment that exposes them to multiple project experiences. You will gain exposure to a diverse set of industries, clients, and project roles. You'll have the opportunity to help dynamic, market-leading client organizations tackle their complex business problems and drive tangible results. You'll also assist in determining the requirements of clients' projects and programs by defining, analyzing and managing requirements to help fulfill clients' business needs. While the specific job deliverables will vary according to their needs, our Business Analysts have the broad skills needed to conduct financial and business analysis to contribute to client recommendations.

## Qualifications

Required:

- Master's degree in Economics
- Young India Fellowship
- Ashoka Scholar's Program
- Master's in Liberal Studies

Preferred:

- Strong academic track record
- Strong analytical and critical thinker with the ability to solve complex problems and easily communicate findings
- Ability to work independently as well as in collaboration with a team

## The team

Deloitte LLP is one of the largest private professional services provider with its subsidiaries working in four key business areas- Audit, Advisory, Consulting and Tax- with the ability to combine elements of those groups to address clients' needs.

Deloitte* was recently ranked by Gartner, IDC, and Kennedy as a leading consulting firm globally for the sixth consecutive year, named a leader in business transformation consulting by Forrester, and serves 80% of Fortune 500 companies.

Deloitte Consulting LLP prides itself on being a "go-to" organization helping clients to solve some of the most complex, critical challenges - from initial strategy design through implementation and ongoing operations. Its teams provide global experience and local knowledge enabled by world-class technology solutions to help clients focus on the big picture and succeed in public or private business environments.

We accomplish this mission through our capabilities and continued development of our people and marketplace Service Offerings that come from within Consulting and the overall Firm.

## How do we do it differently

We look for people who look at the world differently, the ones with a keen ability to see opportunities where others don't and then implement the right solutions to seize those opportunities. We call it "looking again." It's kind of our superpower.
